

## Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

## Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	N		Refreshed 2024 policy includes provision in Section 1.2
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	N		Refreshed 2024 policy includes provision in Section 1.3
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be recorded, monitored and reviewed regularly.	N		Refreshed 2024 policy includes provision in Section 1.4

1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.			Refreshed 2024 policy includes provision in Section 1.5
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.			Refreshed 2024 policy includes provision in Section 1.6

## Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Y	2019 Complaints Policy referenced complaints being considered on own merits, and gave reasons for not accepting complaints in the first section Complaints (Residents)	Refreshed 2024 policy includes provision in Section 2.1
2.2	<p>A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include:</p> <ul style="list-style-type: none"> <li>• The issue giving rise to the complaint occurred over twelve months ago.</li> <li>• Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court.</li> <li>• Matters that have previously been considered under the complaints policy.</li> </ul>	Y	2019 Complaints Policy referenced complaints being considered on own merits, and gave reasons for not accepting complaints in the first section Complaints (Residents)	Refreshed 2024 policy includes provision in Section 2.2

2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	N		Refreshed 2024 policy includes provision in Section 2.3
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Y	Housing Ombudsman details given in Residents Handbook and in 2019 Complaints Policy	Refreshed 2024 policy includes provision in Section 2.4
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	N		See note on Section 2.5

### Section 3: Accessibility and Awareness

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	Y	Information on different channels and reasonable adjustments given in Residents Handbook and 2019 Complaints Policy	Refreshed 2024 policy includes provision in Section 3.1
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	N		Refreshed 2024 policy includes provision in Section 3.2
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	N		Refreshed 2024 policy includes provision in Section 3.3
3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This	N		Needs adding to website

	will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.			
3.5	The policy must explain how the landlord will publicise details of the complaints policy, including information about the Ombudsman and this Code.	N		Refreshed 2024 policy includes provision in Section 3.4
3.6	Landlords must give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord.	Y	Residents Handbook and Complaints Policy 2019 contained details of representation	Refreshed 2024 policy includes provision in Section 3.5
3.7	Landlords must provide residents with information on their right to access the Ombudsman service and how the individual can engage with the Ombudsman about their complaint.	Y	Housing Ombudsman information provided in Residents Handbook and Complaints Policy 2019	Refreshed 2024 policy includes provision in Section 3.4

## Section 4: Complaint Handling Staff

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	N		Refreshed 2024 policy includes provision in Section 4.1
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Y	The Clerk to the Trustees has this authority as laid out in Residents Handbook and Complaints Policy 2019	Refreshed 2024 policy includes provision in Section 4.1
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a core service and must be resourced to handle complaints effectively	N		Refreshed 2024 policy includes provision in Section 4.4

## Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Y	Only one policy extant, Complaints Policy 2019	Refreshed 2024 policy includes provision in Section 5.1
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	N	Complaints Policy 2019 had 4 stages including an informal resolution stage	Refreshed 2024 policy has two stages – One and Two
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	N		Refreshed 2024 policy has two stages – One and Two
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. Residents must not be expected to go through two complaints processes.	N		Refreshed 2024 policy includes provision in Section 5.5

5.5	Landlords are responsible for ensuring that any third parties handle complaints in line with the Code.	N		Refreshed 2024 policy includes provision in Section 5.5
5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition”. If any aspect of the complaint is unclear, the resident must be asked for clarification.	N		Refreshed 2024 policy includes provision in Section 5.3 (a) and 5.3 (d)
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	N		Refreshed 2024 policy includes provision in Section 5.3 (c)
5.8	At each stage of the complaints process, complaint handlers must: <ul style="list-style-type: none"> <li>a. deal with complaints on their merits, act independently, and have an open mind;</li> <li>b. give the resident a fair chance to set out their position;</li> <li>c. take measures to address any actual or perceived conflict of interest; and</li> <li>d. consider all relevant information and evidence carefully.</li> </ul>	N		Refreshed 2024 policy includes provision in Section 5.8

5.9	Where a response to a complaint will fall outside the timescales set out in this Code, the landlord must agree with the resident suitable intervals for keeping them informed about their complaint.	N		Refreshed 2024 policy includes provision in Section 5.4
5.10	Landlords must make reasonable adjustments for residents where appropriate under the Equality Act 2010. Landlords must keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed. Any agreed reasonable adjustments must be kept under active review.	N		Refreshed 2024 policy includes provision in Section 3.2
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the provisions set out in section 2 of this Code.	N		Needs adding
5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.	N		Refreshed 2024 policy includes provision in Section 5.8 (e)

5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process. Landlords must ensure appropriate remedies can be provided at any stage of the complaints process without the need for escalation.	N		Needs adding
5.14	Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives. Landlords must be able to evidence reasons for putting any restrictions in place and must keep restrictions under regular review.	Y	Anti-social Behaviour Policy and Bullying & Harassment Policy	Needs adding explicitly to 2024 Policy? YES
5.15	Any restrictions placed on contact due to unacceptable behaviour must be proportionate and demonstrate regard for the provisions of the Equality Act 2010.	Y	Anti-social Behaviour Policy and Bullying & Harassment Policy	Needs adding explicitly to 2024 Policy?

### Stage 2

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
6.10	If all or part of the complaint is not resolved to the resident's satisfaction at stage 1, it must be progressed to stage 2 of the landlord's procedure. Stage 2 is the landlord's final response.	N		Refreshed 2024 policy includes provision in Section 6.1
6.11	Requests for stage 2 must be acknowledged, defined and logged at stage 2 of the complaints procedure	N		Refreshed 2024 policy includes provision in Section

	within five working days of the escalation request being received.			6.2
6.12	Residents must not be required to explain their reasons for requesting a stage 2 consideration. Landlords are expected to make reasonable efforts to understand why a resident remains unhappy as part of its stage 2 response.	N		Needs adding

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation

9.2	A positive complaint handling culture is integral to the effectiveness with which landlords resolve disputes. Landlords must use complaints as a source of intelligence to identify issues and introduce positive changes in service delivery.	N		Refreshed 2024 policy includes provision in Section 9.2
